Commissioner to notify the owners of the front feet of the land binding thereon by advertisement in not less than two daily newspapers published in said city, the said advertisement to be inserted not less than twice in each of said newspapers during ten days, that it is the purpose of said city to pave said street, avenue, lane or alley, and that the said City Commissioner will select for said paving such kind of improved pavement as may be decided upon by the owners of a majority of said front feet; and if the owners of a majority of said front feet shall fail to notify the said City Commissioner within three days from the insertion of the last advertisement of the kind of improved pavement which they desire to have laid then the said City Commissioner, with the approval of the Mayor, shall select the kind of improved pavement with which the said street, avenue, lane or alley shall be paved.

To be approved by Mayor and City Council.

SEC. 3. And be it futher ordained, That the terms "improved pavement" shall include sheet asphalt, block asphalt, vitrified brick, belgian blocks, or such other improved pavement as may be approved by the Mayor and City Commissioner.

SEC. 4. And be it further ordained, That in all cases of repaving with improved pavement of streets, avenues, lanes or alleys already paved where an ordinance providing for such repaving does not specify the kind of improved pavement to be used for such repaving, and where the Mayor and City Council is required to pay

the whole cost of such repaving, then the kind of improved pavement to be used for such repaving shall be decided upon by the City Commissioner with the approval of the Mayor.

To be done by contract or labor employed by the city.

SEC. 5. And be it further ordained, That in all paving or repaving of streets, avenues, lanes or alleys, unless it shall be otherwise provided by city ordinance directing such paving or repaving, the work shall be done by contract or else by labor employed by the city and paid by the city as in the judgment of the Mayor and City Commissioner may be best for the interests of the said city.

SEC. 6. And be it further ordained, That nothing in this ordinance shall affect the paving of any street, avenue, lane or alley for which contracts for paving have already been made by the Mayor and City Council; and that nothing contained in this ordinance is intended to prevent the macadamizing of streets, avenues, lanes or alleys in the section commonly known as the "Annex," being the territory comprised in the old Twenty-first and Twenty-second Wards, when such macadamizing is desired by the owners of a majority of front feet on said streets, avenues, lanes or alleys, subject to the approval of the Mayor and City Commissioner.

SEC. 7. And be it further ordained, That all ordinances or parts of ordinances conflicting with the provisions of this ordinance be and the same are hereby repealed.

Approved February 24, 1899.

WM. T. MALSTER, *Mayor.*
