No. 91.

An ordinance to provide for the grading, paving with sheet asphalt, laying of gutters and kerbing of all that portion of Baltimore street, from the east side of Grove street (a street forty feet wide, condemned and opened under and by virtue of Ordinance No. 138, approved September 18, 1896), eastwardly to the eastern city limits.

SECTION 1. Be it ordained by the Mayor and City Council of Baltimore, That the the City Engineer be and he is hereby authorized and directed to have all that part of Baltimore street, from the east side of Grove street (a street forty feet wide, condemned and opened under and by virtue of Ordinance No. 138, approved September 18, 1896), eastwardly to the eastern city limits, with all the intersections of cross streets, graded, paved with sheet asphalt, similar to the asphalt now on Baltimore street at the west side of where Chesapeake street crosses it, or any other asphalt of equal quality, kerbed with six-inch kerbing of granite, gneiss or other material, and the gutters laid with vitrified brick or other material in accordance with specifications drawn by the City Engineer in pursuance of the Acts of Assembly, Chapter 219 of the Acts of 1892, and according to the provisions of the existing ordinance providing for the grading, graveling, shelling, kerbing, paving, repaving, etc , of streets, lanes and alleys in the City of Baltimore, so far as the same may be applicable; the whole expense thereof to be assessed against the abutting property, as provided in Ordinance No. 33, approved March 14, 1893, entitled "An ordinance to add additional sections to Article 48 of the City Code in relation to the paving, repaving, etc., of streets, lanes and alleys," and in the ordinance amending said last-mentioned ordinance, being Ordinance No. 50, approved March 24, 1893, and entitled "An ordinance to repeal and re-enact Section 61A, in Section 1, of an ordinance approved March 14, 1893, and entitled 'An ordinance to add additional sections to Article 48 of the City Code in relation to the paving, repaving, etc., of streets, lanes and alleys.'"

Sheet asphalt paving of Baltimore street.

Assessments.

SEC 2. And be it further ordained, That the City Engineer be and he is hereby authorized and directed to advertise, in accordance with Sections 14 and 15 of the New Charter of Baltimore City for proposals to do said work and furnish said supplies and materials; and after the contract has been awarded to the lowest responsible bidder, the City Engineer shall proceed to assess the whole cost of the work on the abutting property in proportion to the frontage of said property, except the cost of the cross streets, which shall be paid for by the city out of the amount appropriated for paving cross streets for 1901; and the city's proportion for that part of said street on which Patterson Park abuts, which amount shall be paid out of the amount set aside in the levy for 1901 for paving in front of city property.

Advertisement for contracts.

SEC. 3. And be it further ordained, That the City Engineer be and he is hereby authorized and directed to make monthly estimates on the completed work on said portion of work on Baltimore street, and

Payments; how made.
