which are to be paid for by the city, shall be assessed upon the property binding upon the portion of said Augusta avenue so to be graded, paved and guttered; and the expense of the whole of said grading, paving and guttering shall be assessed and collected, as provided in Ordinance No. 33, approved March 14, 1893, entitled "An ordinance to add additional Section to Article 48 of the Baltimore City Code, in relation to paving, repaving, etc., of streets, lanes and alleys," and in the ordinance amending the last-mentioned Ordinance No. 50, approved March 24, 1893, and entitled "An ordinance to repeal and re-enact Section 61A of Section 1 of an ordinance, approved March 14, 1893, and entitled 'An ordinance to add additional section to Article 48 of the Baltimore City Code, in relation to paving, repaving, etc., of streets, lanes and alleys.' "

Assessments; how provided.

SEC. 3. And be it further ordained, That the grading of said Augusta avenue under this ordinance shall be of the full fifty-feet width of said avenue between the points hereinbefore stated, and shall conform to the proper grade of said avenue, as recently established by said City Engineer.

Funds for paving cross streets.

SEC. 4. And be it further ordained, That the cost of paving the cross streets and alleys shall be paid by the Mayor and City Council of Baltimore.

SEC. 5. And be it further ordained, That this ordinance shall take effect from the date of its passage.

Approved May 3, 1901.

THOMAS G. HAYES, *Mayor.*

No. 129.

An ordinance to provide for the grading and paving with macadam pavement and guttering with vitrified brick, where necessary, Collins avenue from the south side of Frederick avenue to the north outline of the 10-foot pavement now existing on the south side of Walrad street, in all 617 feet.

Grading of Collins avenue

SECTION 1. Be it ordained by the Mayor and City Council of Baltimore, That the City Engineer be and he is hereby authorized and directed to have Collins avenue, which is fifty feet in width extending from the south side of Frederick avenue to the north outline of the 10-foot pavement now existing on the south side of Walrad street, graded and paved with macadam pavement six inches thick, and said avenue, where necessary, to be provided with a five-foot gutter on each side, gutter to be constructed with vitrified brick bottom four bricks wide set on edge, with cobblestone rebut; said macadam pavement to be of twenty feet in width of the whole fifty feet width of said avenue and covering the centre of said avenue between the points stated in the titleing of this ordinance.

SEC. 2. And be it further ordained, That said work to be done in pursuance of Section 6 of the Act of Assembly, Chapter 123, of the Acts of 1898 of Maryland, entitled "City of Baltimore," sub-title "Streets, Bridges and Highways," and also according to the provisions of the existing ordinances providing for the grading, graveling, shelling, kerbing, paving, repaving, etc., of streets, lanes and alleys in the city of Baltimore, so far as the same may be applicable, the whole cost of the work contemplated to
