Various water rates.

For a private family in a house over seventeen-feet front, and not over eighteen-feet front, ten ($10) dollars.

For a private family in a house over sixteen-feet front, and not over seventeen-feet front, eight ($8) dollars.

For a private family in a house over fifteen-feet front, and not over sixteen-feet front, six ($6) dollars.

For a private family in a house over fourteen-feet front, and not over fifteen-feet front, five ($5) dollars.

For a private family in a house over thirteen-feet front, and not over fourteen-feet front, four ($4) dollars.

For private family in a house over twelve-feet front, and not over thirteen-feet front, three ($3) dollars.

For a private family in a house, twelve-feet front or under, two ($2) dollars.

For houses of triangular shape the rate shall be computed by taking one-half the frontage.

For houses of square shape the rate shall be computed by taking one-half the frontage.

There shall be no charge for attachments for washing pavements, etc., of houses occupied by private families.

For horses not used for drays, carts or wagons, each, one dollar and fifty cents ($1.50).

For carriages, each, one dollar and fifty cents ($1.50).

For taverns, refectories, livery stables, lager-beer houses, boarding-houses, daguerretype saloons and offices, and for the use of water in any form (unless otherwise herein expressly provided) the charges or rates may be prescribed by the Water Board, as they deem proper; and in the assessment of water rates on buildings of large frontage and comparatively small depth, not exceeding twenty-four feet, the Water Board is authorized to modify the assessment of water rates.

The charges per annum for all steam boilers used for generating steam for engines, only when using the water supplied by the city, shall be fixed at the rate of three ($3) dollars per horse power, but in case other excessive uses are required for the water, the meter may be substituted, by which the usual rates will be charged.

Water Board may prohibit use of water.

The Water Board is hereby authorized to temporarily suspend and prohibit the use of water for washing pavements, streets, etc. When, in their judgment, the state of the water supply requires that the same be done, and any person, who, after notice from the Water Board to cease using water for washing pavements, streets, etc., shall use a hose attachment therefor, shall, upon arrest and conviction, pay a fine not exceeding five ($5) dollars.

Fine.
