street, referred to in Section 2 of this ordinance, the City Engineer be and he is hereby authorized also to grade and pave in a like manner, at the sole cost and expense of the Mayor and City Council of Baltimore, all that part of the old Philadelphia road, which lies between said Luzerne street and Lakewood avenue, north of the north line of Fayette street, as will appear on a plat now on file in the office of the City Engineer, and in accordance with which plat the whole of the work contemplated under this ordinance is to be done.

Plats.

SEC. 4. And be it further ordained, That nothing in this ordinance contained shall be construed to effect in any way the obligation of the abutting owners of the ground between Luzerne street and Lakewood avenue, north of the Old Philadelphia road, to pay their proportionate part of the assessment of the entire work to be done under this ordinance; the intention of this ordinance being, however, that the Mayor and City Council of Baltimore shall pay the cost only of grading and paving all that part of the Old Philadelphia road, which lies between said Luzerne street and Lakewood avenue, north of the north line of Fayette street, and the abutting owners, as well as those on the south side of East Fayette street, between the points aforesaid, as also those owners on the north side of the Old Philadelphia road aforesaid, shall pay the balance of the entire cost of the work contemplated to be done over and above what the city will be called upon to pay on the Philadelphia road part.

Assessment.

Abutting owners.

SEC. 5. And be it further ordained, That

this ordinance is passed in pursuance of the Act of Assembly of the year 1892, Chapter 219, and according to the provisions of all existing ordinances providing for the grading, paving, graveling, shelling, kerbing, repairing, etc., of the streets, lanes and alleys in the City of Baltimore, as far as the same may be applicable, and the entire expense thereof be assessed on the abutting owners, as hereinbefore provided in this ordinance, (except as to the expense of the work to be done on the Old Philadelphia road, which road at this point, together with the bed of East Fayette street, between the streets aforesaid, for the greater part thereof, forms one highway); as provided in Ordinance No. 33, approved March 14, 1893, entitled "An ordinance to add additional sections to Article 48, of the City Code, in relation to paving, repairing, etc., of the streets, lanes, alleys, etc," and in Ordinance No. 50, approved March 24, 1893, entitled "An ordinance to repeal and re-enact Section 61A in Section 1 of an ordinance approved March 14, 1893, in relation to the paving of streets, etc."

In accordance with Act of 1892.

Approved January 26, 1903.

THOMAS G. HAYES, *Mayor*.

No. 118.

An ordinance authorizing the Collector of Water Rents and Licenses to accept the sum of ten ($10) dollars per annum as compensation in full for water used and consumed at the Maryland General Hospital and the Baltimore Medical College.

SECTION 1. Be it ordained by the Mayor and City Council of Baltimore, That the
