Dear Sir

I am sorry to learn by Mr Thos. Bridgate, that your Situation at Bath was not so agreable when he left it, as I could have wished, and the more so, as I have not yet been able to procure Letters for you from Col: Mercer, who I have seen, & had his promise to send them as yesterday, on which Account I delayed writing, but I would not any longer, least you should think I had forgot your Commission, which is not the Case, I have the pleasure to inform you, that Colonel Mercer returns to Bath next week and I believe our frind Mr Forbes with him, this I know will be good news to you, I have no other to communicate, only all frends here are Well, Mr Russell has got out of Doors one more: As Madam intends a postscript I must drop my Pen & give place to her, or there will be no peace in Israel, as you know. Adieu & believe me Dr Sir Your affect hble Servt
