MdHS 1974 [556-310]

This will be handed by
Mr. Middleton of the Union cavalry. I beg leave to
introduce the gentleman to your particular
attention & civilities. I pray you my dear
governor to comply fully with the
general requisition & give Mr. Middleton
all possible assistance - your state
is helpful as can be from us as
its generous & has more in power
than any of the union. — Only
think out of 500 Greenes former requi
sition in our favor for forty horses which
was acquiesced to by the Legislature
we never got 1/3 of the No. & then the
greatest trouble on earth. — I am confident
of the success in Mr. Middleton's mission
with the public shall say no more on the
subject — If you have not already
sent me one of the best horses in
your state which I presume you have
