Dear Sir — Bath Augt 15th 1702

I have taken the liberty once more of troubling you with a letter for Capt Fitzhugh which I beg the favor of you to forward to him. we have pretty near 200 persons now at Bath — and a great many very agreable People among them — we have been much alarmed with Reports of Indians being in the neighbourhood, but believe there has been no foundation for them. Genl Morgan is here — he is much broken. tho I am told he is much recovered from his late attack — Mrs Galloway joins in compliments to Mrs Lee, I am Dr Sir

Your Obedt Servt
