beginning of July will probably retard the negotiations, if not break them up ~~entirely~~: I think we ~~may~~ not expect peace very speedily —

Is it possible to obtain abt £150 of my order from the Treasury? I am ~~with~~ very great want of it: please to let me know if any thing can be done ~~in it~~.

Please to present my Compts to yr Lady.

I am My Dear Sir, with great regard & esteem,

Yr affectionate obdt Servt
