Dear Sir,

I return you many thanks for your favour of the 30th ult. & have by this opportunity wrote to the Intendant; if he does not relieve me, & the Council should continue of the same opinion, I shall be under very disagreeable circumstances — You may probably know the result from the Mayor himself — I have wrote to Col. Stone on the subject of your of the 3, I beg leave to refer to it. Col. Stone's merit is well known to several members of Congress, & when the business of the State is taken up will I have no doubt [illegible] I am tired after what I have wrote to him —

Please to present my compts to Mrs Lee. I am Dr Sir Friendly & affectionately

Yrs

Dan Carroll
