Lon. 16. Oct. 83.

Dear Sir

I sincerely thank you for your letter of 15th from Maidenbaugh and be assured it afforded me real pleasure on account of your resolutions and proving and I wish know your powers of adhering to them. To make your Children respectable members of Society is only to teach them to know that 'tis right to Copy after you. But by the Bye as to my dear Boy Mary would a school here not suit him as well as at Liege if Religion has the power of influencing there is in the Vicinity of this Metropolis every respectable Roman Catholic School. — You know how sincerely I respect Mrs Lee and you also know that I am not a stranger to the great affection she bears her first born and therefore if you know me you will not doubt my attention. I have only had four Hours allowed from the receipt of my Letters by Bradshaw for the answering of them by the Mail. I will however not omit to Thank you for the part you have taken for my Interest. My love to Mrs Lee.

Yrs most truly
W. Tonnet
