Patowmac
Thomas Sim Lee Esqr

London 20th July 1784

Sir,

Inclosed you will find Bills of lading Bills of Parcels and Invoice for Sundry Goods shipped to your Order They were all intended for the John Alan Captain (which ship would have left London a month before any other Ship for the Rivers Patuxent & Potowmac had not a severe frost prevented her moving), but with a Number of our other Friends they were shut out by her filling up sooner than expected To render the inconvenience of them being in two Ships as small as possible We have taken the Willing Tom a fine fast sailing Ship and shall dispatch her immediately Though the Invoice is compleat as if the whole were in the John Alan We have affected insurance on the Interest in each Ship — Your Bill on Coy the Pennsylvania is to hand for wch accept our Thanks the Planter who grows that marked T H is a real Good One We cannot say so much for him who makes that T S L. We will not say more than that We are with as possible Respect Sir Your Obliged & Obed.t Serv.ts
