My dear Sir. London 26th Jul 1784

I am favored with yours from George Town by the Brothers the One desired to paid to be sent by a Packet Ship has not appeared indeed I have not had the pleasure of a letter from you by a ship from that Port since I left it altho the Alliance, the Friends, the Mary Ann and the Nancy are all from there. Your dear little fellow is very well he did not write me but I saw a Gentleman from Liege a very few days ago. - I am apprehensive that the Chairs sent are not conformable to your Intention they cannot I believe be in this Case you must have them at Geo Town & be more particular in your Order. The Bedsticks are not to Order I am fearfull. I can venture to say that I have sent Bloodeat as good a Chest Tea as any that has crossed the Atlantic from Co. you will get the quantity required indeed I would recommend your taking more of it - I have sent your Sugar in One of his Casks marked inside TSI, these things will be charged to you at George Town as it would have Created confusion to have
