MdHS 1974 [677-1195]

of my last Will and Testament complyd with, I earnestly request and desire, that he may still live in the family and Officiate as usual in the said chappel - Item I give and bequeath unto my loving Brother afores-aid the whole and sole management of the Estates both real and personal which I have already given unto my Grandson Ignatius Digges Lee, the produce of the afores-aid plantations to be applyed as before directed, and my further re=quest is, that my Brother will take upon him the direction and inspection of his schooling and Education - Item And whereas Carpenter Aaron with his Wife and Children are at the Quascos, my Will and desire is that if my Wife Mary Digges should chuse them, as part of the fifty Negroes already be=queathed her, that then they be brought up, and be kept employed in making the necessary build=ings or repairs at Melwood Park, and in that case, my Will is that one of the Carpenters may be sent down to the Quascos from the home plan=tation to do the necessary buildings and repairs on the Lands, before given unto my Grandson Igna=tius Digges Lee. Item whereas there is a Blacksmith at Melwood Park, now my will and desire is (that in case my Wife Mary should chuse him as one of the fifty Negroes already bequeathed her) that he may still continue to do the work of the se=veral Plantations that I have already given unto my Grandson Ignatius Digges Lee. Item whereas I sometime since bought a Tract or parcel of land of a certain William Beall, and Mr Nathan Magruder has paid me for one half of the said land, and has never had a deed
