expect a sound title, and in my letter of the 30th Sept. containing my proposals my expectation on that head is explicitly expressed, & in yours of the 6th Oct. you promised to execute such instrument of writing as would assure to me a title to the Land. I am far from wishing to create ~~difficulties~~ a difficulty which might retard in the smallest degree retard the completion of this business in all its parts.

I am, Sir, Yr. mo. obed. serv.
