Annap.s 5. Dec.r 1786

My dear Sir,

Your letter is here they been formal days in expectation of the legislature taking some steps respecting the land of Mr. B. but stands for a debt due the State I have from the first told her that nothing could now be done though there is not a doubt but in the course of early too every thing she wishes for will be done all sides of the House agree to it but we must first make some provision for the black money which is now trifling in amount and for the sinking of which this property stands pledged before we can otherwise dispose of the property this matter will soon be taken up & other provision is made which will be the receipt of it in taxes then the House will unanimously grant Mrs. B. application. You will know that every thing in my power shall be done to forward it. I shall two days hence take a flying visit to St. Marys down through Calvert & Charles through P. George & hope to compleat it in six or seven days.

Yours

Thomas Jenifer
