Dear Sir, I am going in the early stage tomorrow for New York
I shall write to you soon after my arrival fully
relative to the business now under your care —
If you have any commands — which you
~~who~~ wish to trust to a private conveyance
I shall with pleasure take charge of them if
lodged with Mr. Thompson this evening —
you will please not to fail to send on the
letters I applied to you for to Mr. Le Roy —
As I have no doubt that I can satisfy him on
the subject —

With much respect & regard
Yr. obt. Servt.
