Sir

Feby 28th 1792

As we must soon again meet at Annapolis to Appoint a Gov.r I wish you to Apply to Mr Lee to know if he will Act in that Character — his design (as it is said) of moving into some Town to Educate his Children, gives me hopes he will not Reject it. as he will there have every Opportunity to Answer that purpose

Should you not Approve of making this Application I beg you'd Inform me that I may Apply otherways: At Any Rate I hope to hear from you on the Subject by the first Opportunity —

I am Dear Sir

Yours &c
