The General Assembly being called to meet on the first Monday in April to Chuse a Governor, in Consequence of the death of our late Worthy Reviered Governor Plater, I have every reason to believe that it is the general wish of the Citizens at large that you would once more accept of an appointment to that Station,

I have received letters and Messages from Members of different Counties as well as private Characters, requesting me to make application to you, ~~to~~ and to inform them as soon as possible whether it will be agreeable to you or not, Amongst others is a letter I now Inclose you from Colo Francis Deakins, which I received yesterday — Some reasons are therein stated that it is hoped may have weight with you, and I flatter myself they will —
