Dear Sir

951

By our mutual friend Mr. Potts, I had the Honor to receive, your Polite favor of the 10th Ultr., with one Inclosed for Genl. Gates. I shall forward on by Mondays Post.

At that moment, I was acknowledging a letter from him of the 24th; As that subject was then mentioned again to me. I took the Liberty to say, the Stoppage of our Trade, and circulation for some months past, by the severe weather We have had; nothing could be expected immediately Although you was not in the Mercantile Line, you would feel its effects. —

With Respectfull Compliments to You and Lady. Be persuaded of the Esteem with which;

I am. Dear Sir

Your most Obed Servant.
