A MASS MEETING of the Democratic and Conservative voters of Kent county will be held in CHESTERTOWN on TUESDAY, the 14th day of October, at 2 o'clock P. M.

HON. WILLIAM T. HAMILTON, of Washington county;
HON. C. J. M. GWINN, of Balt. city;
HON. T. J. KEATING, of Queen Anne's;
SPENCER C. JONES, Esq., of Montgomery county;
HON. JOHN RITCHIE, of Frederick;

GEORGE COLTON, Esq., of Balt. city,
B. HOWARD HAMAN, Esq., Balt. city,

and other distinguished speakers will address the meeting. Music will be provided for the occasion. A full attendance is requested.

MARION deK. SMITH,
Chairman Central Committee.

SUPPOSE the Democratic party in Maryland is as bad as it is painted by Republicans. What then? Does any one who knows anything of the politics of this State imagine that we should have a better government under Republican auspices? Is there anyone so unsophisticated as to think the Republican party a proper instrument to carry out reform? It is generally supposed that before a man is fit to reform others he must reform himself. Let our Republican friends purify their own party, and stop their notorious frauds at primary elections before they commence to preach honesty and purity. —*Balto. Bulletin.*

ELKTON AND MIDDLETOWN RAILROAD.—Upon application of the commissioners appointed by the Legislature of Delaware, the president and directors of the Philadelphia, Wilmington and Baltimore railroad have ordered a survey of the proposed line of railroad from Elkton to Middletown. This is done in order to insure the early commencement of the road, and to enable the commissioners to ascertain the disposition of the landowners as to the right of way. The Philadelphia, Wilmington and Baltimore Railroad Company do not intend to build or further aid in building the road, but they agree to survey as above stated and then to turn over the plat and estimates to the commissioners. As soon as this is done the company will be organized and the work offered to contractors.—*Elkton Dem.*

A PARTY of boys, while gathering chestnuts in the woods near short Hill, Pa., Monday, found a human skeleton with two holes in the skull. It is supposed to be that of John Lorson, who is said to have been murdered about two years ago.

CRESSWELL'S republican lamb and Stockett Matthews' republican lion have come to amicable terms for thir days, and have mutually agreed that Mr. Gary may lead them, submissive, and the lion shall not growl nor the lamb blate.—*Comet.*

PLEURO-PNEUMONIA is making frightful ravages among the cattle in the vicinity of Forked river, N. J. Nearly every herd in the place is being lessened by the malady.

SNOWDEN'S
AMMONIATED
Soluble Bone Phosphate,

A COMPLETE MANURE for WHEAT, GRASS and CLOVER.
None but the Highest Grade Materials are used in its Manufacture.

Contains all the essential elements necessary to produce a crop, such as Soluble Bone Phosphate, Ammonia, Potash, Magnesia, Soda, Chlorine and Iron, and all of these are to be found in this manure in their proper proportions.
I therefore offer this thoroughly tried Fertilizer to Farmers with the fullest confidence in its giving entire satisfaction, being justified in thus doing from the fact that for years past it has on all crops where properly applied, paid the farmer using it from one hundred to two hundred per cent. profit on its cost, and, also proving itself to be a permanent improver to the soil, as it is composed of such materials as cannot be exhausted in one or two crops This manure is compounded under the personal supervision of an experienced manufacturing chemist with the latest and best improved machinery to be obtained, giving a uniform article complete in its mechanical condition.
A single trial will demonstrate the truth of what I claim and it is to the interest of the farmer to buy the manure that will give him the best profit.
I refer to a few of my patrons that used it on Wheat last year:

Richard C. Smyth, Fairlee, Kent co.	Richard Diehl, Edesville.
Samuel H. Crawford "	James H. Baker, Pomona.
A. L. Corey "	John A. Groves "

William Stevens "	Wm. T. Burgess "

FARMERS that want to avail themselves of the use of this valuable Fertilizer had better order early as the demand is so great at other places I may not be able to supply the demand here.
