Now My Dr. Friends I commend you to the Mercy and goodness of God - I am gone but a little before you but while I am yet a live I will offer you in My prayers to the Mercy of God - But alas !! you wont have Mercy, you dont want mercy, you want honour & Pleasure - Now My Dear Brothers how will it be with you if you live & die as you are in the great day of Eternity - will it not then be too lateyes, depart from me ye Cursed what are the pleasurable enjoyments of time & things for 20 years, Compared to the torments of Hell & a never ending Eternity. think upon those things. for Gods sake for Your Souls sake & try to meet your unworthy brother at the right hand of God. May God grant for his Son S. N. that we may all arrive safe in the City of God
