MdHS 1974 [1143-1247]

My dear Sir 2 Upper Grosvenor Street -

I have seized the first Opportunity which presented itself to have the Pleasure of congratulating you on your safe Arrival in England. I am but this instant returned to Town or I should have sooner had the Pleasure of seeing You, and have further to regret that I am under the necessity of leaving Town tomorrow for a few Days, but as I hope that you will find Succours sufficient to employ you some Months yet in Town, I do not despair of having some Opportunities of seeing much of you, and I beg (most sincerely I assure you) to
