Great Cumberland Place
16th Feby. 1810.

My Dear Sir

I shall take great pleasure, when I send a Messenger to Rome, in forwarding your Letters. —

I cannot understand why, if you have had any Wish to go yourself as a Courier, you have not said so. — You know very well that such a Wish would immediately have been complied with.

Your Political Opinions,

1246

MdHS 1974 [1147-1246]
