Belle Vue July 2d. 1810

Dear Sir

on my return yesterday from Carlisle through Chambers-
-burg, I was informed by the Jailer of the latter place, that there was
a negro man in Jail who said he belonged to you, by name Charles &
a cooper by trade, I requested him to take care of him, & that I would
give you information thereof immediately on my return.
I rec.d your very friendly invitation by the Rev.d Mr. Bowers, &
am sorry it was not in my power to visit you. I hope after Har-
-vest you & Miss Lee & any other Friends you may have with
you, will do us the pleasure of riding this far to pass some
time with us, Mrs. Carroll & myself would consider ourselves
under an obligation by the Visit, a little relaxation after the
fatigues of Harvest would much contribute to y.r health.
The crops of Grain on the road to Carlisle are generally fine
& we have no reason to complain in our quarter. I have heard
with much pleasure, that y.r crop is uncommonly luxuriant
& promises a product unusually great. May success & happiness
attend you in all y.r pursuits is my sincere wish. Mrs. Carroll unite
-s in the expression of our cordial affections for yourself & Family
& believe me to remain with very high Esteem
