on the subject — I will cheerfully ~~attend~~ attend those Gentlemen at any time they may appoint, at Mr. Murdock's in Frederick Town which will be a convenient place ~~for us to~~ to adjust the difficulties which lay in the way of a final settlement — some of my bonds which have been long since discharged, I shall ~~in vain look~~ for amongst Mr. Gates papers — General Gates informed me that he placed them in the Bank of New York, for safe keeping, where they still may be, if not to be found amongst the papers he left —

I am with great respect

Robert Emmet Esq.
