As I am well apriced it will give you pleasure to oblige me, I take the liberty to request of you, that you wille be so good as to ~~write~~ obtain from the proper source and inclose to me the account of taxes due from Messrs Henry Holliday, James Cole, and William H. Tilghman on lots held by them in the City.— The lots belonging to Mr W. H. Tilghman may probably be still held in the name of Peregrine Tilghman.— Should it be necessary for these taxes to be immediately paid, as they wile not be more than between 20 and 30 dollars, I wile feel much indebted to you to pay the accounts before you forward them.— With much esteem Sir
