Mrs Eliza Horsey
Wilmington
State of Delaware

Dear Eliza, Needwood Jany 6th 1815.
1016

As your Pen must be restored to you by rules long established I may promise my self the pleasure of a Letter from you very soon - your last favor must have been dated the latter end of Novem^r

I have not received more than one short letter from John Lee written on his return to George Town - so much is he entangled with the fascinating pleasures or vanities of G. T. his stay at P^a was protracted by allurements of the same kind I presume, or he never would have spent the time there which he had destined to your House of expected distress - How in Wonder could he pass a single day in Wilmington, ~~where~~ where Gambling is not tolerated? I hope you & your two little daughters are well, give my love to Miss Horsey, I expect to hear fine Music from the Piano when I see her -

A day or two ago I rec^d a Letter from my brother Tom informing that his Son Rich^d was appointed to the Staff of Genl
