you passed through Fred.k, that you would call at the Clerks office
& read the Deeds - Mr T. has been so considerate as to associate
Mr Rd Peters with himself in the Trust - to obviate the difficulties
which might occur, in case of his death, by the intervention
of Minors - You say nothing of the Small Note of Forrestall,
on account of which I requested might be, if possible, paid to Robt Gorrey

Archys well & joins me in Love to you & yr Mother
