Georgetown Jany. 13, 1820.

Dear Sir

Mr Horsey & myself are desirous to engage you as Counsel in the settlement of my father's estate, & in the maintenance of his will, should an attempt be made to subvert it. I hope our application is not too late. In the settlement of an estate so diffused & in which a variety of interests are to be adjusted, much advice may be required; and we shall be gratified to know that it will be received from a gentleman in whom our 1066 confidence is so fully reposed. after your return from Annapolis, when I shall have the pleasure to see you, I will arrange with you the fee —

very truly
Dear Sir
Yr. Obed. servt.
