Thos. S. Lee

May 22, 1819.

John Lee Esq.
Governor
Geo. Town
Frank Esq.

Dr John,

Fred.k Town, Mr. Kerr's Mills,
Saturday Night, May 22d 1819.

1052

I am so far on my way to Wilmington & on my way this afternoon I recd. yr. letter of yesterday from Mr. West – Very fortunately I have met with Mr. French here on his return to George Town, who promised to forward this to you without delay when he gets home – I shall proceed to Baltimore in the Morning on horseback, there being no Hack or other Carriage that I can venture to travel on the rough Turnpike – I hope you will hasten on to Baltimore with all speed – my Wagons are on their way with the last of my Crop of Tobo. & I wish to make sale of it as early as possible fearing a still greater depression in price – I am in hastening to see poor Eliza who is in a bad state of Health – & to return as soon as possible, as there is Critical Season for the growing Crops – my prospect of Wheat Clover & Timothy is rather too good – if I have to be saved it must be by Cool Windy Weather such as we have experienced within the last few days – I hope you will be
