Sale of Mellwood

Cliffs Nov. 25. 1829.

1360

My Dear Brother

I do not know whether you have heard from ~~Johnson~~ Mr Johnson on the subject of the bonds for Mellwood but he has written Mr Horsey that nothing can be done in the business until the lands are surveyed and that he apprehends it will be difficult to obtain the consent of the purchasers to give their bonds to ~~them~~ the heirs seperately as by so doing they would subject themselves to many suits instead of one. his idea seems to be that the funds arising from the sale should remain in his hands until the money is collected that we should receive it thro' him and of course that he should receive his commission out of it

Answered Dec. 3 — Letter to Mr Johnson — ~~[illegible]~~

Cancelled Nov 27
