1477

Know all men by these presents, that on wednesday the sixteenth of December eighteen hundred and thirty five, at ten o'clock in the morning —— " ——

Pursuant to a written application of John Lee, of Frederick County, in the state of Maryland, hereto annexed, and praying for an inventory of the property owned in common between him the said Lee and Outerbridge Horsey, of the Interior parish of Lafourche, in the state of Louisiana. —— " ——

And pursuant also to a judgment or decree rendered by the Honorable the second judicial District Court, sitting in and for the Interior parish of Lafourche, on the third of october last past, a copy of which judgment is also hereto annexed, by which judgment it is decreed, among other things, that the said inventory be taken by the parish Judge of the parish aforesaid —

I Peter Daspit, Parish Judge of the Interior parish of Lafourche aforesaid, assisted and accompanied by Thomas M. Williams, a physician, and Henry F. Knobloch a scrivener, both competent witnesses domiciliated in the said parish, went to the plantation of the said Horsey and Lee, situate in the parish aforesaid, on the left bank of Bayou Lafourche, at about three miles above Thibodauxville, on which plantation the said Horsey appears to have his legal domicile —

And then and there we found the said John Lee, upon whose declaration I am now going to take a true and faithful Inventory and to make an exact description of all the property real and personal, rights and credits, — sums and papers, formerly in common or still in common between the said John Lee and Outerbridge Horsey.

The property subject to estimation is valued by — Samuel S. Wheeler and John Mills, both well known and respectable freeholders and planters of the said parish, —— " —— appointed —
