Senate of Md.
Jan 25th 1838.

My Dear Sir,

I had the honor of addressing you this day an official communication directed "Middle Town Frederick Co." informing you that you were duly elected a Senator of this State to supply the vacancy occasioned by the resignation of William Schley Esq. – Having understood that you were in the City of Baltimore, I have thought it expedient to apprise you that the official communication had been sent to your post office, in order that you may not be restrained from taking your seat at once, if your convenience should permit –

I am very truly
Yrs
Richd. Thomas.
