Washington 10th March 1841

1513

My dear Sir,

I leave here for New York, to-morrow morning early to visit my son. & shall probably be absent 5 or 6 days. As you intend remaining here a few days longer you will much oblige me, during absence, to have me recommended to Mr. Webster, for the Office of Marshal, in case Mr. Mainguy should be displaced. In so doing you will acquire a new title to the gratitude of

Your Respectfull friend
M. Duvall
