Frederick 19 March 1841.

Dear Sir;

I received yours of the 18th inst and thank you for your kind efforts to procure me an appointment at Washington. I had written a letter to you and intended to send it to Washington, but was apprehensive that you left, the purport of which was to apprise you that I left the City in a great hurry on the evening of the day we called to see Ewing, that I forgot to call on you at Gadsby's for my recommendatory letter. When I returned home Mr Cole wrote to Mr Ewing in my behalf enclosing the Mr C. Johnson letter to him. Should you go to Washington again, I should be glad to hear from you whether my presence would be of any use.

Yours &c with great esteem
