you here or in Balt.o at your earliest convenience

If you can come on in the next 4 or 5 days I should prefer meeting you here, which I suppose would be most desirable, as you say in your note, that the person is now here most to be relied on to effect any thing with the Boston judgements - but I will meet you either here or in Balt.o as may be deemed best

I have with me a list of the judgements against the Bank in Phil.a

Erwin & myself will do all the business in Louisiana & we will divide Commn.s & profits 1/3 each -

If you should decline engaging in this business, please inform me of it at once, consider this letter as confidential, & furnish me any information in your power to aid me in accomplishing my object -

Very resp.y
