My dear Sir,

Your favour of the 10th inst has been received, but as you do not say, whether Mr William Lee has been found a lunatic, or a committee been appointed to take charge of his Estate, I am under the necessity of troubling you again on this subject

If no committee has been appointed, I suppose you would act as Guardian ad litem. Previous, however, to the appointment of such Guardian, it will be necessary, if no Writ de Lunatico has been executed, to have the certificate of the attending physician at the Hospital, as to the unsoundness of Mr Lee's mind, the length of time he has been there &c &c, so that the Chancr may determine upon the propriety of appointing a Guardian ad litem. This certificate ought to be filed with the amended bill, and my purpose is to bring it
