Lafourche Interior

March 26, 1845

Received from John Lee for and on account of Messs. J. B. Maureau and Alexander Gordon as their agent, possession of the plantation lately sold by the said Lee to the said Maureau and Gordon by act of sale passed in New Orleans — And I have received at the same time possession as said agent, of all the horned cattle, Mules, horse — farming utensils which did belong to the said plantation — and also the dwelling house with all the furniture therein — crockery ware, glass — beds — bedding — sheets — blankets, &c &c — being all the furniture which was in the use and occupation of said Lee — Also all the bricks in the two kilns on said plantation, which have not been disturbed since the first of January last — a full list of sale which articles has been taken in writing by me —
