Frdk. Jany 28th 1850

My dear Sir

I have this moment received your letter of the 26th & in reply, I have to say that I will do all in my power to facilitate the wishes of Mrs Mitchell, and from your statement I have no doubt, her objects can be accomplished to the satisfaction of all parties. When I see you we can understand each other more fully and I am sure satisfactorily.

I remain Dear
Yours very Truly
Richd H Marshall
