My dear Pat,

I feel very uneasy about not hearing from you, & am afraid the papers may not have reached you, I got home on Sunday had them executed on Monday - & sent them by mail Monday night so you ought to have received them by 2 o'clock Tuesday - I was in hopes you could have got over to see us - as you had some such thought when I left you - Mother is very anxious to see you and you can come over on Saturday in the Rockhall section on Monday - The steam-boat comes on Wednesday. Cannot Mrs H. & Ella come over for a few days - We are all perfectly well the children send a heap of love to their grandma & Aunt &c

In haste yours truly
Jos. Mitchell

Will you let me know about clover seed, how much it will take, & when would be the best place to buy it.
Write me by Saturday's packet if you doont come over.
