then for 3000$. upon such terms as we may agree upon. If you can make this arrangement I will at all times receive payments from Mrs Mitchell whenever she can pay in amounts of 1000$ or more and above interest due - I speak of this amount because this would enable me to reinvest advantageously. By this plan Mrs Mitchell will be enabled to consummate her arrangements lessening & to suit her views in the final adjustment of her pecuniary affairs. But if I am to aid in this matter the arrangement must be made without delay so as to give me a clear lien upon the estate for the 7000$. I say without delay because, the funds I now hold in trust cant remain idle in the performance of a trust duty; of this however you are aware. Let me hear your decision upon this subject at an early day

I have been
Truly yours
