Under these circumstances - I shall not send Mr. Ross before Wednesday next - In the mean time I wish you to write whether or not you wish Tracy to go up immediately or the 20th of April with regard to the purchases you have made they all must - with nothing full approbation - save the potatoes which if you have not yet procured I can furnish nearly as fine as any in the union - I shall likewise send the seed corn (Virginia) which I have already directed to be sent to Mr. Wilmer - with regard to bags - having a sufficient abundance - I have given Mr Ross one set -
