I have received the several packages, three in number that you sent me from yourself & Mr. Denifer, to whom please to repeat my acknowledgements.

We shall embark on Wednesday next, the 18th in the Arica for Lisb. after a brief stay in England, I propose to pass over to the Continent, & have an idea of going to the S. W. of France at the foot of the Pyrenees. But nothing is settled. I have no plans, but shall be guided by circumstances. I may return very soon or not for years.

If I can do any thing for you abroad, I hope you will allow me the pleasure of seeing you.

Farewell My dear Sir. Please to present to Mrs & Miss Lee my best Respects.

Believe me Faithfully
your friend,
W. H. Mercer
