Dear Sir

I send you Colo Taliaferro's reply respecting the wheat you desired to obtain, & am sorry to find he cannot supply you.

I met Mr Beverley of Va, a day or two ago, & enquired of him respecting the Mediterranean wheat, - he informs me that its use, in this part of the State, has, generally been abandoned; That his relative Robert Dick has been using it for some years, but does not highly estimate it. Perhaps he can supply you - if I can aid you in the purchase, call upon me.

Very truly
Yrs
R. Pleasants
