My dear Sir

During last week I addressed a note to you in regard to the arrangement made by you in behalf of Mrs Mitchell with me, stating to you after this week I would not be at home & wishing to have the business closed before I left home. I have not heard from you upon the subject and concluded you by inadvertency did not receive my letter – I hope you will be able to close the business this week as I shall not be at home again before the latter part of May next – You will recollect the notes are to be drawn one for four thousand dollars & the other for three thousand – Draw them under seal with a view to the convenience of Mrs Mitchell – Let me hear from you upon this subject before I am long yet.

Yours &c
