Dear Sir

I send you an acceptance of R Swan, State Librarian on farm of Hogan & Thompson for $239.93 on which $139.37 has been paid. This acceptance was given by Mr Swan for Stationery supplied to the Maryland Legislature.

I will be much obliged if you will get your Committee of claims to pay the balance which is due upon it, as per statement of A/c sent herein amounting to $104.66. Mr Swan will give you the proper evidence as to its correctness – he has the original bill.

Will you please send me the pamphlet which gave you of "Proceedings of Baltimore Convention" if you can spare it? I have tried to get one here, tho' Balto: but cannot –

Very Truly Yours

A U Thompson
