My Dear Sir,

I send you a copy of Truman Smith's letter.

Don't fail, in connexion with Evans, to see each of the parties largely interested, & consult him with reference to the contract. Very likely you will have to make separate & different agreements to suit the various characters you have to deal with.

Will you go to Phila? Could not Evans get a letter from Chandler like mine from Truman Smith? Cooper might do something — but I am suspicious that
