My Dear Bob.

The dates and amts of the two drafts are as follows. The draft accepted by Barnes Longridge & Co is for $500 and was discounted on the 7th (seventh) September - payable in Geo Town. nett proceeds. $492.17 The other draft accepted by yrself and payable in Balto, at the Merchants Bk, is drawn for $616. and was discounted on the 14th day of September nett proceeds $606.35. Both drafts are payable ninety days after date - and will fall due, the one in Geo Town for $500 on the 7th of December - the other for $616.

I have not yet positively engaged a distiller - but am waiting to see one from Balto - who is coming up to see how he likes me and the place, before contracting. My machinery is all here at the house - and I expect the men up to erect it in its proper place early next week.

Let me hear your views about the cow -

Remember me to all yr family & believe me

Very Sincerely,
