TOURING TURNER STATION

Stars of Faith to appear at Union Baptist Church

By E. S. McDANIEL

Mrs. Elaine Johnson of 229 Center St. has been shut in for several years. Prior to her illness she was active in church. She enjoys reading and looking at pretty cards that friends send. Her birthday is Thursday, Oct. 16. It would be nice if we send her a shower of birthday cards. Will you please cheer a shut in?

On Sunday afternoon at 3 p.m., everybody will be going to Union Baptist Church, Snarrows Point, to enjoy Mary Dees Gospel train, featuring the Philadelphia Stars of Faith. The program is being sponsored by Turner Station YMCA. Get on board little children, there is room for many more.

The Mothers' Club and committee of the Turner Station YMCA will co-sponsor a Halloween Dungaree Record Hop for teen agers on Friday, October 31, at the Community Center. Inquire at the Y for further information.

* * *

WE WILL BE looking to see you at the YMCA anniversary dinner on Friday night at the Sollers Point High School. The speaker will be J. Ernest Wilkins, assistant secretary of labor. Dinner will be served at 6:15 p.m.

The Turner Station Health Committee met last Saturday at the New Shiloh Baptist Church with the Rev. Mr. Everett presiding in the absence of the president, Robert L. Abbott. The committee is still working to secure funds for the building fund.

It was reported that W. C. Darden gave a donation of $50 for the drive. Mrs. V. Johnson initiated a pledge card project to boost the campaign. More will be heard about this project at the next meeting.

Mrs. Agnes Williams public health nurse for the area, explained that the clinic for well babies is in need of assistance. Some mothers come to the clinic with more than one small child which makes it very hard for her.

Some volunteer help is needed to entertain the children while the mothers are with the nurses and doctors.

The clinic has been given a record player by one of the directors of the community but the nurses do not have time to assist the doctors and at the same time act in the capacity of baby sitters.

Will you open your heart and give the clinic a hand with the babies?

The clinic also needs small tables and small chairs for the little people so that they may be comfortable rather than having to sit in chairs for adults.

Often they try to get out of the chairs and fall to the floor; this is dangerous. There is also need for maintanance supplies to keep the clinic in a sanitary condition. They need the following articles: paper cups, toilet tissue dispenser, large trash can, paper towels, wax for floors, soap and soap powder, children's records, disinfectant, etc.

If you are able to contribute any of these articles and your neighbor will contribute some of the other articles, the mothers and the professional staff will be made happy. Pay a visit to the clinic to see it in action.

MR. AND MRS. Mack Simpson are the proud parents of a son, Mack the third, who arrived on Oct. 2. Both mother and son are doing nicely.

Mr. Simpson is a member of the faculty at the Sollers Point High School. Mrs. Simpson is the young lady of church fame, Mildred McNeil. Congratulations to the Simpsons.

James Gwaltney was in church last Sunday. The community was happy to see him again after his accident.

The event that attracted the greatest attention in the community during the week was the 16th anniversary celebration of the Gospel chorus of the New Shiloh Baptist Church last Friday night.

Julian Watson, I was told, invited 50 choirs. It appeared as though all 50 of them came to the celebration.

They came from as far away as Philadelphia. There is "a song about the walls of Jericho, I was more concerned about the walls of Shiloh.

There was a happy time at the church until after midnight. The chorus made presentations to the pianist, Mrs. Inell Waggstaff and to the senior member, Mrs. Mary Adams.

The officers are Mrs. Georgia Jones, president; Mrs. Helen Lewis, vice president; Mrs. Vivian Shelton, secretary; David Mitchell, assistant secretary; Ray Eley, treasurer; and Rosmie Watson, chaplain.

Between $400 and $500 were realized from the affair. This money goes to the building fund of the church.

LAST SUNDAY afternoon was Home Coming at the New Shiloh Baptist Church at which time the ministers who entered the ministry from New Shiloh returned with their choirs and congregations.

Mrs. Ruth S. Law, science teacher at the Sollers Point High School, has been working on a project with her classes. The objectives are (1) to bring a resource person in the school as a consultant, (2) to correlate life in the community with that of the school, and (3) to make the pupil aware of the fact that he is living science every day.

The consultant was Addison V. Pinkney, former principal of the Turner Elementary School.

Mr. Pinkney was one of the first teachers of Turner Station when the handful of children of the community was housed in two portables in the field on Sollers Point Road.

Mr. Pinkney has not changed one bit since he has been gone for around thirteen years. He is now educational director in a large area of the Seventh Day Adventist Church.
